## Happy EB Day!

Did you know that April 2nd is the 5th Annual National Employee Benefits Day? Yep. That's right - it is a "real" holiday.

So, give yourself a pat on the back. You have a vital role in providing coverage for all of the participants in your organization's benefit plans.

And, we understand that serving in that role can sometimes feel like alphabet soup!

As trustees, plan administrators, advisors, HR Managers, benefit managers and employers - **thank you** for a job well done and for all that you do to serve the vital needs of the benefits community.
