

## *20 Years!*

Twenty years ago, Haynes Benefits had the bold vision to bring the first employee benefits boutique law firm to the Heartland.

Our goal was and remains to be hyper focused on employee benefits law, with the flexibility and personal touch afforded by a boutique law firm setting.

Our world has changed tremendously in these twenty years, and throughout this year we will provide reminders of our experiences together and celebrations of our continued growth.

Haynes Benefits remains Prepared for Whatever Happens Next.
